

Figure 6 is a cross-sectional view taken along lines 6-6 as shown in Figure 2.

In the Drawings:

Enclosed please find three (3) pages of proposed drawing corrections for Figures 1-3, 5, and 6. The proposed corrections are highlighted in red. A letter to the Official Draftsperson has also been provided with a copy of the proposed drawing corrections. The Examiner's approval is respectfully requested for the proposed changes to the drawings shown in red ink. The following corrections are made to Figures 1-3, 5, and 6.

Figure 1

Callout for sectional view A-A has been changed to sectional view 5-5.

An indicator light has been added near the user interface 23 to be consistent with originally filed Figure 4.

An ornamental cutout has been added at the lower front facing edge of the left hand end cap, shown at the right hand side of the picture to be consistent with originally filed Figure 4.

Figure 2

Callout for sectional view B-B has been changed to sectional view 6-6.

A callout for a heater, item 100 has been added.

An indicator light has been added near the user interface 23 to be consistent with originally filed Figure 4.

An ornamental cutout has been added out the lower front facing edge of the left hand end cap, shown at the right hand side of the picture to be consistent with originally filed Figure 4.

Figure 3

The entire view has been rotated 180°.

The grill is now shown through the air inlet 17.
